PRINCIPAL

Dear Children, Parents, Teachers, and Friends of Star of the Sea Convent

As I reflect on the year, I am filled with pride and gratitude for the incredible achievements, resilience, and growth shown by our children, staff, and the entire school community. This year has been marked by countless moments of learning, joy, and success, each adding to the rich tapestry that makes our school such a special place. Our children have been at the heart of all we do.

Watching them grow not only in knowledge but also in confidence, empathy, and leadership has been deeply inspiring. From the classroom to the playground, from creative arts to community service, they have shown commitment, courage, and a willingness to support one another. I am proud of each of them for their hard work and for embodying the values we cherish at Star of the Sea Convent.

This year, our dedicated teaching staff have continued to innovate, adapt, and go above and beyond to provide a nurturing, high-quality education. They have worked tirelessly to ensure every child feels supported, challenged, and inspired. Their professionalism, enthusiasm, and unwavering care are evident in the progress our children have made, and I am truly grateful for their contributions.

We have made significant strides in enhancing our school's learning environment and resources. From introducing new learning technologies and strengthening our curriculum to fostering greater community involvement, we have aimed to support the holistic development of every child. We are committed to ensuring that our children are academically, socially, and emotionally equipped, fully prepared to meet the future with confidence and compassion.

Congratulations Grade 7's! You are leaving us with memories and achievements that will forever be part of Star of the Sea Convent's legacy. As you embark on new adventures, remember that you carry with you the values, friendships, and lessons of this school. We are so proud of each of you, and we look forward to seeing the wonderful things you will achieve. I would also like to extend my deepest appreciation to the parents and guardians of our children.

Your support, trust, and partnership have been vital to our success this year. Thank you for sharing this journey with us and being an integral part of our school community. As we look to the coming year, I am excited for the opportunities and continued growth that await. Together, let us continue to nurture a place of joy, belonging, and excellence for every child.

Sincerely

Alfonso Pereira

CHAIRPERSONS REPORT

Dear Parents, Guardians, Teachers, and Children

As we conclude another academic year at Star of the Sea Convent, it's my honour as the Chairperson of the Board of Governors to reflect on the accomplishments and growth that have defined our journey this year.

Despite the challenges that we've faced, our school community has shown remarkable resilience, commitment, and a shared sense of purpose in nurturing a positive learning environment. Our teachers continue to bring the highest standards of education to our classrooms, working tirelessly to ignite curiosity and a passion for learning in each child. Their dedication to professional growth and their embrace of new and effective teaching practices have enabled our children to thrive, not only academically but in their social and emotional development as well.

The school's leadership has been instrumental in driving initiatives to enhance our curriculum, strengthen our support services, and ensure the well-being of every child. The collaboration between our staff, parents, and board members has been the foundation upon which these achievements are built. Together, we've created opportunities for children to develop not only intellectually, but as compassionate, confident, and responsible individuals.

This year, we're particularly proud of our children's achievements across various fields— academics, music, sports, and the arts. Their enthusiasm, hard work, and sportsmanship reflect the core values of our school community and remind us all of the importance of teamwork, respect, and perseverance.

To the Grade 7s, congratulations on reaching this important milestone! You are the future leaders, thinkers, and innovators of tomorrow. Remember to carry forward the lessons, friendships, and values you've gained here at Star of the Sea Convent as you continue your educational journey.

Finally, a heartfelt thank you to the parents and guardians who support our mission and entrust us with the growth of their children. Your involvement is invaluable and strengthens the spirit of our community. On behalf of the Board of Governors, I wish everyone a restful break and a new year filled with inspiration, achievement, and joy.

Warm regards

Mrs. Tania Fouten Chairperson of the Governing Body

FATHER ANDREWS REPORT

Dear parents, staff and children

It is always a great joy to see and hear the sounds of happy children both in the playground and in the class. I am, however, also aware of an ever-present challenge in the disrespect I see in some of the children both towards staff and their peers. Some of this has psychological origins but others display a lack of proper formation.

In a Catholic school, the home is always regarded as the first place of learning for a child, the place where certain fundamental values should be imparted to children, not just through words but also through example. It is not acceptable for parents to neglect this duty and to expect the child to receive everything at school. An ethos of love, hard work and discipline has to be present in the home where parents oversee their child's progress in their school work and extramurals. There is no substitute for a caring parent who loves and inspires their child, who shows an active interest in their child.

Respect for elders is a value found in all our cultures in South Africa so let us please not lose this value. If all this is in place, a number of the challenges being experienced by teachers and other children in the class would be avoided and the education of the children would be able to proceed far more effectively. Where parents are struggling due to the overwhelming challenges they face at times, I encourage them to communicate with their child's teacher. I have found our teachers to be really interested in the progress and well-being of the children in their care and parents need to understand this.

The teachers, like parents, want only the best for the children. This would seem to be something we can build upon. I never cease to be amazed at the spiritual awareness and sensitivity in so many of our children, and continue to be impressed by the insights some of them show into the matters of God and the spiritual life. This element is key to our school ethos as a Catholic school and sets us apart from most other schools.

When God created us, He created us in His own image and likeness. This means that comprehensive human development must not avoid the defining element of what it means to be human, that we are spiritual creatures. I have not found any other life form to exhibit such a feature. So I encourage parents to build this element too in their child by praying with their child, by talking of God to their child, by creating a sense of wonder and awe in what Jesus achieved for us, and by helping them grow in their knowledge of the Bible.

I thank the staff and children of the school for a good year and congratulate all on the achievements and break-throughs made during the year. I hope all the families of Star of the Sea have a safe and relaxing summer break, and that those who return to us in the new-year, will return with a new-energy and readiness for a wonderful 2025.

God bless you all! Fr Andrew

HEAD CAPTAINS REPORT

Head Girl
Leano Mmelesi

Being a head girl at Star was a truly unforgettable experience. At first, I was so scared and nervous about taking the role. The thought of being responsible for representing the whole school, speaking in front of everyone and making important decisions was overwhelming. I was not sure if I was ready or capable, but as days went on, I began to realize how much I could learn from this.

The support from my friends, family and teachers helped me feel at ease. I learned how to speak up for others, organize school events and handle challenges with a positive attitude. Being a head girl was not about having the title, it was about learning to be confident, kind and a good leader. It was an experience that taught me valuable lessons and gave me memories I will always treasure. I will sadly miss my journey at Star.

To the next head girl, I wish you all the best as you take on this incredible role, embrace every challenge, enjoy the journey and remember that you have to inspire and make a real difference at Star of the Sea Convent School.

Head Boy
Anetso Motsoko

This is your head boy. I'm honoured and humbled to have been chosen for the role as head boy. Even though I have this title I am still a normal student of the school. As a student of this great institution, I have learned a lot over the years.

I would like to thank all the staff and a special thank you to Aunty Sharmaine who has left the school recently. They have worked very hard over the course of the year and I am grateful for her contributions to the school. I also want to thank the captains for their contributions to the school as well as the house captains for organising some of the past sport events of the year. I'm also proud of all the other learners in the school for working hard too. I want to thank all the teachers that not only had to deal with us but also with their own class. Your guidance has shaped us to be more intelligent, mindful and disciplined students of the school, please keep up the wonderful work with the children. I am grateful to be in this school.

We have learned a lot from each other and as another academic year passes, I hope that we have cherished moments that have took place this year. But we have to move forward in the end for the future: and the best preparation for the future is to live as if there were none.

HOUSE CAPTAINS REPORT

Dominic

Tyler
Sibanda

Being a house captain was an experience I have never felt before. The collection of house points and the feeling of winning sports day. The job of a house captain is not easy there is a lot of pressure. As I leave my final stamp, I thank my house for this journey of collecting house points, winning and voting for me. Being a house captain was fun but the crown must be passed on now. I hope the next generation is better than me, Thank you Dominic.

Thaana
Francis

Being a house captain is something I will truly miss, organizing sporting events, supporting everyone and running my house. At first, I thought being a house captain you had nothing to take responsibility of but as the year went on, I realized being a house captain is perfect for the mix of school work and responsibility. To think this would all come to an end I will miss, the jokes we make and fun we had collecting house points.

As my time at this school comes to an end, I will miss not just the classrooms and friends I will miss the other house captains. I would also like to thank the teachers for helping me out. For me this school has been more than a school it's a second home where I have learned and grown. To the next house captains, I wish you well. I hope you will make Dominic proud and keep streak to winning 3 years in a row in all sport days.

Maris Stella

Melissa
Mahonye

Becoming the Maris Stella house captain has been the best thing this year. I've always had a love for sports and becoming a house captain made my love for sports grow even more. Cheering for my house and trying to coach them to success was amazing! This year we tried to be different and rather than being against each other's houses, we supported each other and our individual houses. Becoming a house captain also taught me to be patient and it also taught me that winning isn't everything and at the end of the day we are all winners. I loved taking house points with the other captains although majority of the time it was an excuse to walk around the school on Fridays. I will definitely miss being a house captain and being a part of the Star family for 8 years. I hope the house captains of next year will have fun. Wishing them success.

Storm
Jacobs

As we stand at the end of this year, I feel incredibly proud and grateful to have served as your House Captain for Maris Stella. It has been a year filled with challenges, triumphs, and hard work and of course unforgettable memories. And through it all I have seen something that has made me even prouder, the spirit and determination of this amazing house. I am truly going to miss being a house captain and tasks that came with it. I have realized that being a house captain is not about having the loudest voice or the most skilled player, it is about serving others, supporting, motivating and lifting up my team mates in both good times and bad times. Looking ahead I know the spirit of this house will live on and I trust that the future Maris Stella house captain will make the house proud and in all have fun.

Catherine

Mason
Abrahams

This year it was a surprise to be Catherine house captain, at first it was a challenge then you get used to it. This year was a bright year for our house, with all those house points collected by our fellow pupils. With us fighting for the lead in sports day even when we lost we fought hard. Another thing is the songbook that last year's captains left for us, it was very great so we could all collaborate and sing our songs and make new ones. To our future house Captains, we hope you carry Catherine on your back and make us proud. Good Luck - win it for us.

Sharmaine
Kabanda

To be honest the very first time I found out I was house captain for Catherine I was shocked and happy at the same time. My experience of being a house captain was the best experience in my life. Every time I went to collect house points for Catherine, I would sometimes get stickers from teachers and every class would greet us with a smile. On sports day, even if we didn't win the whole thing, at least all of us as a team won the cheer cup and we all did our best. I would want to be a House Captain for Catherine every year if I could.

Our Art Work

He started with a ball of snow that grew into a boulder.

A carrot for his pokey nose, a scarf around his shoulder.

He has a funny crooked smile. His body is compated as firm and cold as ice.

He stands guard outside our house.

He wears not pant nor belt. He will stay until comes Spring but then have to melt.

I love learning new words and I love learning antonyms and synonyms. My birthday was the same day as our market day. My favourite memory is of all the grade 2's singing for me. ~ **Boitumelo**

Ms Wessels mentioned that Cyril asked us to design a new flag for South Africa. I drew a flag that showed wisdom and strength. My focus was on the elephant's tusk. My favourite memory is doing work on the chrome books because we get to learn new things. I redesigned my flag on the chrome book aswell. ~ **Xavier**

I can't choose one memory because I loved almost all the things in grade 2. I love playing phonics hangman, phonics guessing games, who wants to be a millionaire, chromebooks, going to RE with miss Frans and using my oil pastels to design an owl. The list of memories are endless. ~ **Kgosi**

My favourite memory this year is going to the library. This year was our first time going to the school library. I love going to the library to pick out new books every week. Especially funny stories. ~ **Tyler**

MY YEAR IN GRADE 3

Justin Jorapetse

My year in Grade 3 was the best! The things I liked the most was the Sports Day we had. It was fun to cheer for my house and run on the field with my friends. What I didn't like about Grade 3 was well, nothing! I liked everything about this year. I also enjoyed English, Afrikaans and Maths. We went to the library every week and I got to choose a different book to read every week!

Ethan Arthur

I like my school and I liked being in Grade 3 this year. I enjoyed break time and playing with my friends. I like learning things in English and my teacher taught us things in Maths that we had to remember. I also liked going to Computers. We could play games when our work was done. Our school is at the beach and that is nice because we can see the ocean from our school.

Samkelisiwe Mnyanda

This year in Grade 3 was amazing, but it was also not amazing. I liked the easy work that we did in the class and the homework we did. But I did not like Maths because it was too hard. I liked it when people brought cupcakes for their birthdays. I liked it when everyone was kind to each other and not mean. Mrs. Williams baked for us this year and that was nice. I can't wait to go to Grade 4.

Nina Klein

I liked being in Grade 3 this year. I liked doing Drama with teacher Mika. I also liked doing Afrikaans with Mrs. Williams because I am good at Afrikaans. But, I didn't like Maths because it was very hard. I also like learning about Jesus in R.E with Ms. Frans. I enjoyed the homework that we did everyday and I loved doing Computers with Mrs. White. It was lots of fun.

Indwe Mlawu

I enjoyed being in Grade 3 this year. Maths is my favourite subject. We did an exam called the Systemic Exam and when we did it, I was so shocked that day that I wanted to go home. I enjoyed P.E. with Coach Kayden because sometimes he gave us free time to play soccer. This term I got to do swimming with Ms. Booth, Ms. Franke and Mrs. De Wet and I loved it. I was always excited for swimming.

Ndalo Mwanda

I liked being in Grade 3 this year. I enjoyed doing P.E. with Coach Kayden because we got a lot of exercise every week. I also liked doing Maths with Mrs Sproat because I learnt a lot of things like sums and time. I liked being in Mrs. Williams' class because she taught me a lot of new things. My favourite subject was music with Mrs. Gould because she sings so beautifully. Sometimes she was very strict.

MY YEAR IN GRADE 3

Jenna Tillicks

This year in Grade 3 was amazing, but I am happy to go to Grade 4, I am sad to leave Grade 3 and Mrs Williams. We learnt a lot of new things in Grade 3. We had to learn to write in cursive and we did a lot of different things like Music, R.E, Computers and Drama. But we can't stay in Grade 3, we have to move on to the next grade. We must grow up and go to the higher grades, even to high school.

Eva Manuel

I like my Grade 3 teacher, Mrs. Williams. She is kind and beautiful. I loved English and Afrikaans and I learnt a lot of new things. I enjoyed Sacred Singing with Ms. Frans, Drama with teacher Mika and also P.E. with Coach Kayden. I loved all these things because they were fun. I like my Grade 3 year and I can't wait for Grade 4 because I am ready.

Dineashia Ferus

I loved being in Grade 3 this year. It was the best year ever, but I am excited to go to Grade 4. I loved drawing in Art and I enjoyed doing Drama. It was a lot of work, but I did my work because work is the best thing for me. I love Mrs. Williams and Mrs. Sproat. My best friends are Jenna, Ruby and Pearl. I am always kind to my friends and I respect them and forgive them when they do wrong.

Haniel Ngwarati

I liked my year in Grade 3. The best thing I liked was all the different subjects we did. I also liked how nice all the teachers are at our school. My friends were always kind to me and I was kind to them too. I liked the Systemic Exam that we did. I also liked the Oral we did this term. It was very funny. I don't like it when children are mean to each other. We must always be kind and friendly.

Caylem McKay

My Grade 3 year was a good year. I like the work we did in Grade 3. I liked all the subjects, but I didn't like Maths. I liked my classroom this year. I liked it when we sat on the mat because it was very comfortable on the mat. But I didn't like it when the children messed on the mat with their lunch. I liked to play outside with my friends and have fun. I liked P.E. because we had to do exercises and run.

Ruby Simon

What I liked the most about Grade 3 is that I made new friends this year. I liked swimming with Ms. Booth every week. It was a lot of fun. I want to be in Ms. Booth's class next year because she is very nice. I liked doing English, Art and reading, but I didn't like doing Maths. I liked to count in 2's, 5's, 10's and 100's, but I didn't like the other stuff we did. I liked computers and I liked Drama, but P.E was very hard.

DEAR GOD

Annette Nkomo

Dear God---Thank you for a beautiful year in Grade 3. It has been ten wonderful months and school is going very well. I have realized that it is not that bad in Grade 3. It has been a great year with my teachers. Mrs Williams has willingly helped me and she has taught me lots of new things that I didn't know. My favourite subject is Maths with Mrs Sproat. She has taught me a lot and I had to work very hard.

Zach Russell

Dear God---I am very thankful for this year because you helped me through all the hard times. I am thankful that my mom has a good job. I am also thankful for my classmates, friends and my family. Thank you God that I have a roof over my head and my own bed to sleep in. I am happy to be who you made me to be. Please forgive me God for my sins. Thank you for all my teachers. I love you God.

Pearl Constant

Dear God---I am so thankful for this year in Grade 3. School is wonderful and home is wonderful too. You provide everything for us God. You have given us a home and even more than that. I love school as much as I love home. Home is my safe place. I am thankful to be alive. I love my family, friends and my school. But I know that God always comes first.

Lebohang Molefe

Dear God---Thank you for helping me with my Maths when I did not understand it. Thank you God for helping my mom. I am also very thankful for having food and water everyday. Thank you for my school, the principal and my teachers. Thank you for my brother and my family. Thank you that we have Chromebooks at school. I am thankful for everything God.

Ezekiel Benjamin

Dear God...thank you for my mother, my father and my brother. My parents give me everything that I need. Thank you for my teacher. I love her very much. I can't wait for Grade 4. I know my report is going to be great! I am a good person and I have a best friend whose name is Caylem. I love doing Chromebooks at school and I love the work we learnt this year. I also enjoyed the word searches we did in English.

Connor Naidoo

Dear God---I am very thankful that I have a loving family and support. I love you God. You took away my sins and you help me when I am stressed. Father, I love to hear your voice and I praise you for everything in my life. I pray for the poor people who don't have a house and a family. Please look after them. I also pray for the old people. You are their hope Father. Please help them to survive from illnesses.

Emma Mars

Dear God---I am thankful for my teachers and my family. There were lots of funny things that happened this year and I laughed a lot. The friends I have are the best friends ever! They are all very loyal, kind and I can trust them. My favourite subjects this year were English and Life Skills. I also enjoyed Chromebooks because you can actually draw on the Chromebook. My teacher has the best style. She's a clothing stylist.

Kago Makabolane

I love to pray to you so much God. You help us so much. thank you God. You always help me with Maths. Thank you for my family, my friends and my school. Term 4 has been the best term ever! God please bless my teacher through the hard times. Please bless my family and friends too and help us to help other people who need help. I want to be a doctor to make the sick people better.

Kirsten Pillay

Dear God---I am thankful for my teachers and friends this year. I am thankful for my home and my family. I am thankful that I am alive. I like being in Grade 3 this year and I am looking forward to Grade 4. I am thankful for having food to eat and clothes to wear. I have my own bed and I am thankful for that. I like being in Mrs Williams class this year and I am thankful for the homework we got.

Ariana Solomons

Dear God---I am so thankful to you for my life. Thank you God for making my mommy better. You saved her from breast cancer God. I am so, so grateful for my home, my family and my school. I have lunch to eat everyday and I could share with children who didn't have lunch. I am very thankful for all my teachers. Please bless everyone God.

Chloe Mutema

To me forgiveness means when someone says sorry to you then you must forgive them. Just like you want someone to forgive you when you do something wrong. When you do wrong you want Jesus to forgive you. So how can you not forgive someone else when they hurt you? This will make you feel sad and. Jesus will be sad for you too. So we must forgive each other just like Jesus forgives us.

Sisathi Mvatyana

Forgiveness is something that God wants us to do. We must forgive people even when they do the same thing over and over. God tells us that we must still forgive this person. I forgive people when they do wrong to me and they say sorry for what they did. I also want to be forgiven when I do wrong. When you tell lies that is a sin. But when someone lies to you, you must forgive them. even if they lie to you again.

Dagimawe Seku

I think that forgiveness is important because it is kind to forgive others. We must forgive so that we can be forgiven by God. We have to forgive people for all of our lives. We never stop forgiving others until we die. Even people you don't like, you must forgive. Even if you are being harassed or bullied by someone, you must forgive them. This is not easy to do because people hurt you, but God tells us to forgive everyone.

Taahir Dollie

I think forgiveness is important to us. We must forgive others if they do something bad to us. Forgiveness is important because it will keep a friendship together. If we don't forgive each other, we probably won't have friends. Forgiveness means that if someone is rude to you, and they say sorry to you, you say it's ok. If we want to have friends, we must be forgiving. It also means that we must say sorry when we do a bad thing to someone else.

Benjamin Fester

I think forgiveness means when someone says sorry to you, then you must forgive them. This is just like if you want someone to forgive you when you do something wrong. Forgive your friend and your family when they say sorry to you. But if they keep punching you, you must still forgive them, but they can't be your friend anymore.

FORGIVENESS

Payton De Beer

I think that forgiveness is something we should do because we must forgive and forget. I think that we must forgive because when we forgive then we are also forgiven. You should be kind and warm-hearted, then you will be respected by others. It won't be fun if you don't forgive. Forgiveness comes from God and I think that is a very special thing. But not a lot of people forgive each other.

Nqobile Mfutwana

I think forgiveness is like when my sister was rude to me. I forgave her. Forgiveness is the right thing to do because when you are an adult, you will know how to forgive. If you don't forgive, it won't feel right. When you are angry, you want to hit the person, but that is not the right thing to do. You must just forgive them. When you forgive, you forget about it and you just go on playing.

Omolemo Sibiya

We should forgive people all the time to be kind to them. I think we must forgive and then forget what happened. Forgiveness is a gift. Some people won't forgive you, but you must still forgive them. It is good to forgive. You will feel better. You must also not do bad things because people will copy you. If you are good and you forgive people, they will be good to you and forgive you.

Michee Muganza

It is important to forgive others because when you forgive, you are being kind. I think that forgiveness means if someone pushes you by accident, you must forgive them. You should forgive so that you are not stressed about it. You must always just forget what people say about you and just forgive them. Always forgive people for their bad deeds and their bad words.

GIVE A COMPLIMENT TO A FRIEND ZACK

A thing I learned is how to do division with remainders. It is actually so much fun to work it out. Another thing I learned was how to tell time. Now I can tell time with ease. I can also tell digital time.

A memory I made is when we go to the library every Friday.

I always choose fun books like Harold and the Purple Sweater or King of the Hill. But my favourite is The Investigators. Another memory I made is when I played with my friends at break. We always play freeze tag and Elle loves to be tag. But sometimes Dominic and Luca like to act like they are the boss of everything.

A fun place I visited was Table Mountain. We were so high up. You can go to the bar and we had our lunch in there. We also went on a bus to get there. I had a delicious lunch.

A skill I mastered is defending in soccer. Nobody can get past me. I love to turn when I defend. An obstacle I overcame was to do a wheelie on a bicycle. It is not very hard really. It's also a lot of fun. A new friend I made was Thabo. He is very kind. He also does karate and he always tells jokes. We always play freeze tag together. I like to share my food with him. He is also a very fast worker.

ENCOURAGE SOMEONE KYLIE

I learned how to write in cursive. It was very hard. But the more I did it, the better I got. I can master it now.

A memory I made:

The first day was an exciting moment. I met my teacher and I was in the same grade as my old friends.

I visited Table Mountain. It was for our class trip. We had such a blast. It was the most fun thing I ever did.

I mastered how to work with money. Money is very important.

An obstacle I overcame:

In the first term, I didn't really know some Maths but I learnt so much. But now we are in term 4 and I learnt so much.

The friends I made were Gemma, Foylryn and Chisomo. We are very good friends.

NORI THE NARWHAL

This year we had a "class pet" (without the possibility of doom and trauma). Every weekend Nori the narwhal got to tag along with one of the grade 4's and their families. Each learner then wrote about their weekend with Nori and shared it with the class. What a life! She went for swimming lessons, train rides, shopping trips and even got to join in on our sports day! Here's a look at some of the memories made.

Grade 4 Market Day

Anything but a hat

We love a good theme and once again our anything but a hat theme was great fun.

YAY!

HATS OFF TO YOU!

Election Day

On May 29th South Africans took to the polls and elected our National Government of Unity. On May 28th, the Grade 4's made their own mark and learned about the purpose and responsibility we as citizens have to vote and put people in power.

4B Super-kids

When I grow up I want to be a marine biologist. When I first heard it I didn't know what it was. I want to discover a new sea creature. I encourage people that want to be a marine biologist to do their best. All fish should be saved. They let us swim in their home and we pollute it. Let's make a difference. By Isabella Beukes

Extra murals are important because you play good sport that can take you far in the future. So playing good sports will make a very good life. Star of the Sea is a great experience in sports. I can't wait to play more matches next year. By Charlotte Makuwaza

First I would like to thank Teacher Luhle, Teacher Michele and Teacher Mika for all their effort and hard work for coming every week to teach us drama. I love drama especially the song that we sang in the play. I remember when I put so much energy in the song my teacher even said I am the Drama Queen. Thank you to my teachers Miss Maitland, Mrs Emere, Mrs White, Miss Jacobs, Mrs Williams and Miss Booth for encouraging me and make me a better person. By

Thank you my loving parents for taking care of me. I love you so much. I thank you for my stationery, jacket, blazer, jersey and my home-made pencil case. And I hope you have a Happy Christmas and New Year. Love Caleb Arendse

4B Super-kids

Highlights of the year: So first starting off with Market Day, Anything but a hat. When I was selling snakes Miss Booth was so scared she didn't want to buy them. I was laughing sooo hard. In Sports Day I was racing and came second place. The Drama showcase was also fun. I had a big moustache with boots. By Zongi Nondeyi

My favourite memory this year is when it was PE and we were playing football. It was boys vs. girls. The boys won 7-0. My friend Lincoln skilled a boy in my class and he did the splits. It was so funny. By Elijah Manuel

I had a good experience at Sports Day. I remember cheering so loud for my house. It was fun to run to get points. I loved that but it was really all about the FUN. By Lwandle Mthembu

I loved swimming, it was the best

But now it's time to take a break and give it a rest

My favourite thing to do was with the boards to float and let it be, one day I wish to go out and swim in the sea

I hope I can learn more and become a professional swimmer and dive the deep deep ocean without a shiver

I hope my dreams come true as succeeding as a diver and a swimmer and also a nice high fiver. By Sibusiso Ndlovu

4B Super-kids

A thank you to my parents for taking care of me, for buying me stationery, taking me to school, for teaching me all the things you can and especially for loving me. You made so many sacrifices. I love you so much. I am so grateful I have you guys. Love
Thando Ramotlou

Dear Mom and Dad, thank you so much for everything. I am grateful. You will always be in my heart. Love you so much.
By Divine Gapare

When we had Interhouse soccer I was excited. I wanted to play in the games. I was a defender. I defended Lumi. They beat us 5-4. But I still think we did good. Thabang scored 3 goals and I almost scored. I was proud!!! By
Zachary Smith

On Market Day I was so scared I thought no one was going to buy from me but when I got to school I had a lot of fun. I loved it sooo much. I loved everyone's hats. They all looked so cool. I am going to miss Miss Booth. By
Deen Beauzac

4B Super-kids

My highlights of the year are the start when we had our Market Day. It was so fun especially the food and anything but a hat. After that we had a Sports Day. I got second place and first place in the bean bag race. I was so happy. And our drama showcase was also fun. I was James and Isabella was Jamie. I did my first confession as well. I was so proud. It was my second best day. By Athandwa Shobede

Grade 4 was the best year ever. The fun, the laughs. Like the time for Sports Day that was a lovely time of year. The spirit and the cheers and the leaders. The Drama showcase was fun as well. But in my opinion I think extra-murals, arts and crafts, music and drawing was the best. By Tamia Thomas

When it was the Drama showcase I was nervous but I practiced and practiced and I got it right. So I was proud of myself. Then on Market Day I sold some chocolate muffins and vanilla ones. So many people came to my shop. I also loved Heritage Day. I dressed up and we spoke many languages. By Joyce Kallon

GRADE 5C

Mbido Badantswana

Nicknamed "The Professor", I'm very good in Maths and I enjoyed having Mr Chirinda as my teacher. Thank you Sir for the making grade 5 fun!

Ancio Bowers

My year in grade 5 was the best, we went to Greenpoint Park, played soccer and all this summed up the fun. Maths was my best subject and Mr Chirinda made us laugh a lot.

Riley Butler

I made a lot of memories in grade 5 including in PE, class presentations and class shows. The class friendly soccer match between 5C and 5F was fun and my favourite memory is the market days, I had so much fun this year

Brighton Chipuka

I enjoyed my year in grade 5, it was wild and quite an experience, we had the funniest teacher and I really loved my grade 5.

Arizona "Izzy" Davids

We did a lot of fun things but my favourite was going to Greenpoint Park. This is by far the best class I have been in, Mr Chirinda is an amazing teacher, I loved being in his class. Loved my grade 5 experience.

Alexis February

Grade 5 started off tricky but I ended up loving it, made a lot of friends and had lots of fun. One of my favourite experiences was the market days and class games we played.

Nicole Fuze

Grade 5 had it's ups and downs but I focused on the happy days and I'm proud of what I accomplished this year. I loved playing netball and volleyball.

Noah Hugo

5C was the best class to be in, Sir is very funny and I made a lot of friends. The work was fun to do, I had so much fun.

Keeva Jager

I was a bit scared starting out grade 5 but I got over it and I had the best teacher ever, I had a lot of fun in his class and I will definitely miss him.

Tendaishe Jemwa

This year was an amazing year, we did a lot of fun stuff and I loved my class and going to the library was my favourite thing to do.

Xayde Lakey

I started off lazy and didn't finish work but Sir changed me and now I do my work and always finish on time, it was quite an experience I had this year, so much fun.

Phoebe Malianga

The year started off difficult for me but i got used to my class and everything was fun, I started an extra mural called STEM and i also did netball, soccer and cricket. Going to Greenpoint Park is my favourite memory from this year.

Palisa Manaka

This year was my best year ever, we went to Greenpoint Park and I loved learning about nature. We also played so many games, I had so much fun in Grade 5C and I will miss it so much

Sanele Masango

Grade 5 was fun, I made new friends and I also fell in love with Maths because of Sir, I improved in all my subjects and I'm so proud of how my year turned out

Reneilwe Mthombeni

I enjoyed the year 2024, we did so many things, a lot of cool and fun extra mural activities. I had fun this year and I'm sure the next Grade 5C will enjoy too.

Caitlyn Naidoo

Grade 5 was a bit hard at the start but i got used to it, I loved playing games with my class. Mr Chirinda was the best teacher and Mrs Forrester. I loved it when we went to Greenpoint Park, my grade 5 experience was the best.

Mbuso Ryan Ngcuka

This was my best year yet, playing soccer and learning was so much fun and Mr Chirinda is the best teacher. Thanks to all the teachers for organizing market days and sports days for us.

Tayana Ngwarali

It was a bit challenging to be in grade 5 but also a lot of fun, we went to Greenpoint Park and I loved the experience. We did a lot of class activities and I played Netball. I will definitely miss this class and Mr Chirinda.

Lefa Nonco

My favourite memory is when we went to Greenpoint Park, we did a Scavenger Hunt in the Biodiversity Garden. I had so much fun in grade 5 and I will definitely miss the class and our Sir.

Ntsako Rehlampfo

This year was fun and amazing with so many memories. I loved going to Greenpoint Park. My class was friendly, Sir was very funny also. I also loved the market days.

Adam Rosenberg

I love that I had one of the best teachers ever. Even though the year was a bit hard, I loved it and I had so much fun.

Nhlakanipo Selana

Grade 5 was great, Mr Chirinda is the best teacher ever. I played soccer and was one of the best players on the team. We also went to Greenpoint Park. I can't wait for Christmas!

Keanno Singh

I was happy to be in grade 5 even though it was a bit hard. I changed so much this year and I'm proud of the person I'm becoming. Big thanks to my Sir and my class for helping me out this year, love you guys.

Pascal Tarwirei

My experience in Grade 5C was epic, we went to an outing at Greenpoint Park, I had so much fun. I signed up for extra mural activities. My teacher was so fun and cool, He really made this grade fun for me.

Zaylee Wolfe

My favourite part from this year was going to Greenpoint Park, I had so much fun. We also played class games and that was fun. I played Netball which I enjoyed a lot.

Awonke Wulushe

Grade 5 was a good year, we went to Greenpoint Park, that was so fun. 5C was the best class to be in, Mr Chirinda is the best and I hope the next grade 5's will enjoy their year.

2024 Memories

PLAYING FROM PLAYLIST STAR OF THE SEA

YEARBOOK

CLASS OF 2024: GRADE 5C

GRADE 5F 2024

AN OVERVIEW

We have had an exciting and busy year together in 5F. We learned a lot in our different subjects, but also about one another. As the class teacher, I have had the privilege to witness the significant growth academically, emotionally, physically and even spiritually among my learners. I wish them all the best for their future endeavours and all the excitement that lies ahead in Grade 6! - Mrs Forrester

The learners were asked to think of a special memory from their Grade 5 year to be displayed in the yearbook...

OUR CLASS

ZAYED ABRAHAMS

My favourite memories are coding and our outing to Green Point Park.

NAEVIA ADAMS

My best memory was when the grade 5s had their market day and when it was sports day. I also loved the grade 5 play.

CHACE ALEXANDER

My favourite memory was when myself and Zayed made a game called Mama Jack kinders. Good luck to the grade 5s next year.

KAYLEIGH BENJAMIN

I will remember all the jokes we had in the classroom, especially the party and outing we had. I will remember the teachers' race and the teachers. I will miss grade 5 so much.

BLAYNE FOUTEN

My best memory was when my friend Ethan fell off the ledge and did two front flips. The second is the 'try not to laugh' challenge and my friend Lumi was twerking in front of the class. I also enjoyed market day and special days.

KAY FOUTEN

Grade 5 market day, first day of grade 5 and the drama play.

MASON HENRY

We went to Green Point Park and played lots of soccer. We also played a match against Generations and won 5-2; they were very posh.

ETHAN HORSWELL

One thing I'll never forget is when Chace said 'Saint Bananas' instead of 'Saint Barnabas'. Also when we did our concert and I fell off a high place and got a granadilla on my head.

DEEN LAYMAN

The 'try not to laugh' (TNTL) challenge, birthdays, Simon says, end of school, outing.

THORISO MAKABOLANE

The best assist of grade 5 history: Brighton passes the ball to Lumi who kicks the ball in the air. Brighton headers the ball and I, Thoriso, score a bicycle.

GABRIELLA MARS

My favourite memories from grade 5: when Zayed sang the chip roll song in front of the class, when Chace thought the saint on the calendar was Saint Bananas and when we went to Green Point Park.

RIO MARS

After 7 years I met my friend, Daniel, from creche in 2018. The class party on Miss Davids' birthday. The outing at the beginning of grade 5.

LILY MASONTI

My favourite was when we went on our outing, laughing at my friends and our concert.

LUMI MATROOS

Winning the Ballendor. Getting only 6s and 7s on my report.

EVELYN MAY

I loved our field trip to Green Point Park learning about NST.

BUHLE MNYANDA

Grade 5 outing to Green Point Park. When Mrs Forrester got a sum wrong and I got it right. When it was sports day and I ran for grade 5 and 6, we came 1st place.

REFENTSE MOASA

The good memories from this year: we had a party for Miss Davids' birthday, we went to Green Point Park on my birthday (11 March), grade 3 market day on Jouissance's birthday (8 November) and sports day.

JOUISSANCE MUKAMBILABO

The time we went on an outing in Term 1 to Green Point Park. It was so much fun!

LWAZI NDEBELE

When Maris Stella came second on sports day, when I met Mrs Forrester's baby, when myself and Palyton screamed in the drama play, when we went to Green Point Park.

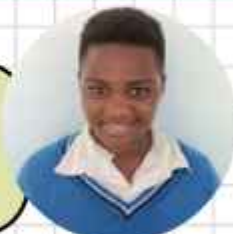

DANIEL OAKER

Meeting Rio after 7 years, the time we went on an outing to Green Point Park, I enjoyed the drama concert.

GOOD-LUCK OFOZOR

The class outing was so much fun. It was fun when we played truth or dare.

JOSHUA PAYLE

End of term, 'try not to laugh' challenges, the outing.

SAIGE PHILLIPS

The time we watched a movie after our drama play, when we had a party for Miss Davids and we had our market day (I love Winter).

PAIYTON RUSHIN

My favourite moments of grade 5: when we went to Green Point Park, when we had a party for Miss Davids, when we had our concert.

GIO TOWN

My favourite memories are going on the Green Point Park outing and going to break.

CASSIDY WILLIAMS

Going to Green Point Park with my friends, the doughnuts at market days, my friends who made my grade 5 journey special.

GRADE 6

Miss Dennis and Mr de Villiers

"SOS camp was my favorite memory of the year. I loved it because it was a time to have fun and to spend time with friends."

- Caleb Court

"My favorite memory was when I ran in P.E, it was special because...I ran so fast."

- Drew Mosimenyane

"Maths was really hard for me last year until Mr De Villiers helped me understand. That is what I am most proud of accomplishing."

- Dean Kasonga

"My theme song for this year would be Believe for it by Ce Ce Winans because it is a positive song for the year."

- Kara Fouten

"My favourite memories were on camp. It was nice to stay with my friends, it was like a school sleepover."

-Zuvoyo Lalendle

"I was shy in drama last year, I am most proud of gaining confidence."

-Sivu Ndlumbini

"I am most proud of finally being able to solve the rubix cube."

-Madibo Madibo

"I am most proud of making the soccer team with great saves & passes."

-Dan Luboya

"I'm most proud of being able to memorise most of my time-tables this year, unlike last year when I always stressed over them. This taught me that if you really do try hard to get something you want, you will eventually get it."

-Bailey-Jane Sinclair

"My advice to next year's grade 6's: Remember to always ask questions when you need it. You are more independent than you think."

-Tyla Williams

"My advice to next year's grade 6's: Don't be disrespectful."

-Peyton Adams

"My favourite memory of this year was The Bundu Bash at SOS Camp because I got to actually spend time with my classmates and children from the other class. I got to know everyone a little better"

-Ratidzo Manyeruke

"My favourite memory from this year was when we went to SOS camp and did the Bunda Bash because we all worked as a team and helped each other."

- Kirsten Fouten

"My advice to next year's grade 6's: Don't be naughty and talk in class or else Miss Dennis will take your whole interval."

-Ayanda Budaza

"My advice to next year's grade 6's: Work hard and don't leave things to the last minute."

-Megan Roberts

"My favourite memory was when we went to camp, although we did a lot of challenging tasks I still had fun and I got to do it with my friends and we got to play with animals."

-Kristen Jacobs

"I am most proud of accomplishing a growth mindset. If I tell myself that I can do this, I will succeed and if I fail I will try again and again until I pass it."

-Sibahle Sibeko

"My favourite memory of Grade 6 was every single day at camp, it was like a big sleepover with all my friends, it was also when Mr de Villiers said "Slay Queen."

-Eden Blankenberg

"This is how the story goes" - If I could choose a theme song for this year it would be Thick of it by KSI, the school year was very unexpected."

-Reneilwe Mlamla

"My favourite memory was camp because it was like a sleepover with all my friends during the school week and we were far away from home and we got to participate in activities altogether. It was incredible."

-Yamikani Handiseni

"My favourite memory this year was going on camp, that I got the best teacher, she is a nice person and that we went on an excursion to the museum."

-Oyama Valelo

"My favorite memory was when we were on camp, I learned how to ride a boat."

-Luminathi Qaqane

"Failure will never overtake you if your determination to succeed is strong enough, so never give up!"

-Joseph Mutombo

"My favourite memory this year has to be camp. I think it's special because we were together bonding as a class, which made us closer, it encouraged us to talk to each other more."

-Anomsa Olifant

"The accomplishment I am most proud of this year is the moment I completed my timetable test I was so happy I jumped for joy, before going on to the 10 timetable test it took me about 5 to 6 days to finish the 9 timetable test!"

-Demi Meeth

"If I could choose a theme song for this year it would be "Count on me" by Bruno Mars."

-Jayden-lee Phiri

"My favourite memory this year was making projects. I like making stuff with my family. I enjoyed the NST project, we made 3-D shapes and worked with electricity."

-Alexander Jephtha

"My favourite memories were on camp because of all the activities we did and the time spent with my friends and classmates."

-Ethan Ndadzungira

"I am most proud of achieving straight 7's and only one 6, this has taught me that no matter what comes my way, if I put in the work and I have the mindset to accomplish my goals I CAN succeed!"

-Jordan Chikoo

"My advice to next year's grade 6's: Study hard and your goals will be accomplished. Listen to Mr de Villiers because he is a very nice teacher and he does the best he can to teach us for example in experiments and things like that. Miss Dennis is a nice teacher but she is strict sometimes, behave in her class and you'll be alright."

-Leah Martin

"The thing I am the most proud of accomplishing this year is beating stage 14 of the timetable test. It was very difficult, I spent weeks trying to beat it but what it taught me is that if you don't give up, no matter how many times you fail you will succeed."

-Lee Felix

"If I could choose a theme song for this year it would be Thick of it by KSI because the school is getting renovations and getting better."

-Luciahno Smith

"Camp is special to me because I got to experience a lot of new things like how to make a fire and I got to feed a llama for the very first time which was scary but I did it! and we also got to go off by ourselves in the forest which was scary because the grade 7 wrote some very creepy stuff on the floors. Camp was fun!"

-Mollie Motshudi

"My favourite memory is when we went on camp for three days and the reason why it was special is because we got to experience learning in nature, and doing fun obstacles."

-Thato Nkogatsi

"I'd like to start off with this: What a year, so many ups and downs. The exams, the projects all of those things. You should really consider studying in Grade 6 because there is way too much stuff to remember. Camp, enjoy it, it will be the best 3 days of the year (at least for me it was) There was so much to do and I advise you to PLEASE GO SLEEP BEFORE 9PM. Obviously you should listen to whatever teacher you have. Both the teachers are amazing just please don't be naughty otherwise your break will be theirs. That's all I have to say thank you Mr De Villiers, Miss Dennis, Miss Dietrich and Mr Pringle for such an awesome year!"

-Tylor Wyngaardt

"Camping was my favorite memory because I got to have a huge sleepover with my friends."

-Isabella Dorea

"Focus on your school work and never give up. This is how you become successful."

-Awiwe Boo

"My theme song for this year is Out of My League by Fitz and the Tantrums I chose it because I like the song, it's been in my recent picks playlist for the whole year and it's one of my favourites."

-Domanic Jones

"On Top of the World by Imagine Dragons - 'I'm on top of the world, hey' is a metaphor for achieving something great, which resonates with me, the feeling of accomplishment students experience after a successful year, bonding with friends and conquering new experiences."

-Cullen Booysen

"My advice to next year's grade 6's: Don't worry, you will do great next year, just do your best and you will be fine. I hope you will do great in your work and make some new friends, the teachers are amazing so love them with all your heart and you will do amazingly."

-Selecia Madina-Ahmat

"My advice to next yer's grade 6s: Do not give up! You made it too far to want to give it all away, things will be challenging but remember to always keep a growth mindset. Be careful and choose your friends wisely because the people you hang around with, will form the person you are to become. "Work hard , do your best, and find your place".

-Zia -Leigh Fredericks

"I am most proud of passing my timetable tests"
-Jaden Frank

" Be true to school, Always attend, never give up no matter what, and never listen to what negative things others have to say to you or about you."
-Skyler Langeveldt

"The theme song would be Song for my ghost friends by Spellcasting because it makes me feel happy, calm and relaxed but also excited and ready in a way for another day. It makes me feel like nothing bad is going to affect me and make me either sad or angry and I would like other people to feel the same."

-Arielle Haile-Selassie

"The advice I would give future grade 6s is that you need to start studying your work from the start of the year. I just need to read through your notes everyday so that you don't get anxious about tests and exams. Enjoy your year because it goes by very quick."
-Anashe Devashe

"My favorite memory this year was when we went on camp. Those were the best days ever."

-Kagiso Dichabe

"When things do not go well don't just give up keep on trying best and put in all your effort even if your not good at some subjects keep on trying the best you. It is okay if you're not always right. It is good that you put in all your effort and hard work into it. Now do your best and never let anything bring you down keep on persevering through the year being proud of the school your in wearing the Star of the Sea badge proving to everyone that you can do whatever you want if you put your mind to it!"
-Ntando Marosha

"I've had a really great year getting to know all of you. The Grade 6's of 2024 was one of my favourite classes ever. I am so proud of the efforts you've put into developing a growth mindset. I know you all have great things in your future. When you're in Grade 7, don't think you're too cool to come give me a high 5! -
Mr De Villiers

"My favourite memory this year was when we went on camp. When did really fun activiities like rock climbing and hiking on the mountain. The scariest part was when we did obstacles on the grass. It was also fun when we went to the Planetarium, we learned about the earth and our galaxy."
- Cattleya Vika

"It has been an absolute JOY teaching this year's incredible group of learners. Their hardwork, determination, and curiosity made every day in the classroom a rewarding experience.

Watching them grow, mature, and develop their unique talents has been truly inspiring. I am confident that each one of them has a bright and exciting future ahead.

Keep shining!"

-Miss Dennis

"What a treat it has been to be a part of this year's Grade 6 class. It has been wonderful getting to know all of you in and outside of the classroom. You ALL have the capacity to do great things! Grade 7 awaits! I'll miss all you crazy CHICKENS dearly!"

SPUR EVENTSCAMP SPORTS DAY VALEDICTORY MASS

This year has been an unforgettable adventure as the senior class of grade 7! We made lasting memories, shared countless laughs, and grew together as a close-knit group. From exciting field trips to unforgettable classroom moments, every day was an opportunity to learn and make new friends. We proudly led the school, setting examples and showing younger students what it means to be a team. Whether it was cheering at sports events, participating in fun activities, or simply enjoying the time spent with our friends, this year was full of joy and excitement. As we move on to the next chapter, we'll always look back on this year as one of the best, filled with so much fun, friendship, and pride!

 Play

 My list

MASON

This year was a fun year with a new teacher. The best thing was SOS camp with each other going to camp and doing activities

SKYLER

My biggest memory is when the grade 7s went to mass with all the Catholic schools and I found out making friends is easy.

LUMINATHI

This year has been amazing and I loved it and the teachers are very polite, they have taken me through a great journey in life

FABIO

My favourite memory is my 2 saves I made against Generations in soccer, I will never forget that memory

JAYLINN

My favourite experience of the year was SOS camp. It was fun getting to know each other better.

TAYLOR

My favourite memory was singing at stars first talent show, I am very proud of myself for facing my fear.

THAANA

The best moment at camp was when Mr Williams scared me and my friends on our way to the bathroom.

STORM

I learned this year that you should stop caring what people think because they will always have something to say.

JOSHUA

My favourite moment of the year was when I got to do surfing, ever since then it became my favourite hobby.

TUMISHO

My favourite memory was when I got over 90% for all my EMS marks for the whole year.

HOPE

One classroom door closes, but a world of possibilities opens. This chapter is done, but the story's not over. Don't cry because it's over, smile because it happened

THOLOGHELO

Life is like a river, don't cling to its banks.

ETHAN

The fun times I had at school was playing rugby and winning 10-6

LEANO

Life is not perfect but your outfit can be.

MASON

My best memory ever was going to camp and making new memories along with funny moments.

PABALLO

If you love what you do you'll never work a day in your life

TYLER

This year was probably my favourite year in my years at Star. The best part of this year was sports day when my team won .

ISABELLA

Grade 7 Camp was an unforgettable experience, filled with non stop fun. I loved bonding with students I barely knew.

EMIHLE

I walked through many puddles in my years at Star but with God on my side I feared nothing.

CONNOR

When we went to Holy Mass I found my friends from another school we got nice things to eat and drink.

TRISH

My experience of this year was the best going on trips like SOS camp and Holy Childhood mass was the best experience of my life

AMY

My best memory was when I was at camp and me and my friend were making jokes the whole night. In this time it allowed me to get to know them even more.

ANTONIQUE

My favourite time of the year was the SOS camp I really enjoyed being there it was so much fun learning new things.

LUKE

The most memorable part of 2024 for me was SOS camp. I became closer with my friends and I even made new ones! I also learned a few things.

BLAIKE

My favourite part of the year was definitely SOS camp. Although it felt really short, it definitely made an lasting impression on me.

MEGAN

During my time at Star of the Sea my biggest memory was always saying.. "Hoya Mense!" to my classmates it was fun having them around

MIKA

Seeing all my friends (grade 8 now)coming back to say hello

JEFFREY

My best moment was at camp when me and the boys did not sleep at night all we did was made jokes.

"To our incredible teachers, staff, and school community,

We, the Grade 7 class, want to express our heartfelt thanks for making this year truly unforgettable! Your dedication, guidance, and support have helped us grow, learn, and thrive.

We're grateful for the amazing memories, valuable lessons, and laughter we've shared together. Your impact on our lives goes beyond the classroom, and we appreciate everything you do for us.

Thank you for an incredible year! We're excited for the adventures ahead.

First Holy Communion

24 November 2024

Feast of Christ the King

My First Holy Communion was on Sunday morning and we had to be there at 7am.

When I was done, I felt refreshed by the Holy Spirit. I felt like a new person. Then there were platters with lekker food. Me, Aiden & Jordan got a goody bag and I loved that day.

By: Atha

I was very excited to receive the Body of Christ as I was looking forward to it for a long time. The highlight of the day was having my family there to celebrate with me. I want to thank Father Andrew & Mrs Forrester for all their time and patience.

By: Aiden

My favourite part was getting to receive the Body of Christ for the first time. Afterwards we went to eat food and each got a bag of goods. When we were in mass, Father lit my candle and then put it in a box. I also got to take the bread up during the offertory which was so cool.

Music Report

For a school that many people would consider small, we have plenty of children learning to play instruments. 2024 has seen an increase in music pupils. Most of our children work very hard at mastering their instruments, realizing that the rewards are enormous, although progress takes work and much effort.

The year began quietly as it usually does. In Term 2, Maia Joptha took her first Initial Grade piano examination through Trinity College. We are very proud of her achieving a Distinction!

In August, Term 3, the combined Senior and Junior Choirs took part in the annual Catholic Schools Choir Festival, which was enjoyed by an appreciative audience of families and supporters.

As Term 4 began, it was time for our annual Music Workshop, which is special and very important for our children who need opportunities to perform.

The last term also saw five of the music pupils take their Trinity College examinations. Congratulations to Jaylinn February, who passed Grade 3 Piano, Riley Stemmet and Thaana Francis who both passed Grade 1 Piano with merit, Eden Blankenberg, who passed Initial Grade Piano with merit, and Casey Paulse, who passed Initial Grade Piano with distinction. Well done to all six children who practiced hard to achieve these results.

The last week of school will include the Carol Service, led by Ms. Frans, which is very well-led.

We look forward to the Christmas season and will return in 2025 with renewed energy.

Ms. Warwick and Mrs. Gould

PE COACH REPORT

Sports this year has been a continuation on the development of the learner. The focus on the foundation phase was isolation. This allows them to learn the basic skills and is crucial in their development. The focus for the intermediate phase was Integration. This allows the skills learnt in the isolation phase to be implemented into games and play. The learners have grown tremendously. They are more confident in their abilities than previously and it shows in their development. I look forward to continuing their development next year. The focus for next year will remain the same. The intensity and difficulty might increase depending on their level of development.

Coach Kayden Lennitch

What netball means to me

Netball means to me playing a fun game with your teammates or playing against other teams. You can play netball with your friends and family. It also means making new bonds with other players.

What I love about netball

I love that you can be yourself when playing and you feel free when playing netball. I also love playing netball because my family supports and encourages me to work hard but to also focus on my school work.

Netball matches we have played

We played against Kommetjie Primary, Kleinberg Primary and St. James and more. We have played against more schools and we lost all of them, but us as children of Star of the Sea did not give up. That's what we believe and encourage at our school, and that's why when we went to Inter Catholics we made a huge comeback and beat every single team except for the first match!

By Pelontle Maruping, Grade 7

Soccer We thank the teachers for their hard work and time that they put in to the soccer team. Thank you to Mr Williams, Miss Booth and Mr Chirinda for the effort, even when we lost, they never stopped applying for matches. Thank you, teachers!

This year with soccer was superb. Everyone was on fire. Even when we lost we made our school proud. As a team we learnt that there is no team without discipline. We had some good wins against Generations and Jupiter. This year was my best year scoring 3 goals in one match. I later made it 4. This was my best year by far!

By Tyler Sibanda, Grade 7

Inter Catholics Soccer The Inter Catholics was a fun and competitive event. Different schools competing in four different sports. The soccer boys were amazing with everyone getting a chance to play on the field and contribute their great performance. The best match I played this year was against Jupiter with my two best players Tyler and Anetso. We were unstoppable, but without the full squad we wouldn't have been so successful. By Wama Nemaguvhuni, Grade 7

I have learnt that "team work makes the dream work". Throughout playing with my team I have witnessed countless victories and losses, but most importantly having the honour to play with my team. Every individual was supportive and we all pushed ourselves to our full potential. It was fun while it lasted.

By Anetso Motsoko, Grade 7

Volleyball

I joined volleyball because I thought it would be fun and a great way to get active. At first, I just liked the idea of playing a team sport, but once I started I realized how exciting it is. The teachers made it even better because they were so fun and encouraging. They always made practice enjoyable, and their positive attitude kept me motivated. I love how fast-paced the game is, and there is always something new to learn. It feels awesome when I make a great serve or dig the ball at the right moment. Volleyball has become a big part of who I am because it teaches me how to work with my teammates, communicate better and never give up. I enjoy every game and practice, and it feels great to see how much I've improved. Volleyball is more than just a sport to me – it's something I really care about and love doing. By Thaana Francis, Grade 7

Arts & crafts/ Sketch and chill

Arts and crafts has been the best. It has taught me how to sketch. I love sketching. Mrs Emandien is very good at sketching. I love art and I draw art in the way I like. My parents tell me to play netball and basketball just because of my height. But arts and crafts helps me to have a brighter future. Where everything will be bright. By Divine Gapare, Grade 4

Chess Club

I really enjoyed chess club. It was full of supportive people. We had a great teacher, Mr De Villiers. Every minute there was spent learning. Any time we played we were enjoying. We shared laughs, wins and many fun experiences. We all shared a competitive rivalry. We would push each other to be better and we came back helping others to catch up. We had many chess matches against other schools. My top two were the Inter Catholics and our match against Sun Valley. There we won and lost, but no matter what we supported each other. One match I found interesting was against St. Agnes. They didn't have a big chess club. It was about 5 people. They didn't have much experience but that made their moves unpredictable. By Paballo Sehlako, Grade 7

Cooking Club

Cooking club was the best especially the tasting. It was amazing. We made so many things. We even got to do our own things. I wish cooking club could go on forever. It was just wonderful. Thank you, Mrs Williams. We love you! By Thandolwethu Ramotlou, Grade 4

Beginners Swimming

Whenever I started swimming classes, I was so happy! When it was a Thursday, I felt like it was my best day ever. When we got to the tidal pool I threw my things on the floor and wanted to jump straight in. The first thing we learnt was floating. It was hard for me at first but then I kept encouraging myself. I sang a song in my mind...you can do it you can do it yes you can you can do it stick to the plan. Finally I got it right. I just wanted to say a big thank u to Miss Booth and Mrs De Wet for helping me to swim. So I just wanted to say thank you. I love you guys.

By Theodora Chiluli, Grade 4

Sports Day

At Sports Day I won first place for Catherine. And we won the Spirit Cup. Ms Frans and everybody else was so happy. I was happy for Dominic winning Sports Day but I was so sad that we lost. And for some reason the Russian rolls were even better at Sports Day. I will always remember Mr Chirinda and Ms Forrester competing in the teachers run.

By Kayleigh Benjamin, Grade 5

At Sports Day I remember my mom was so shocked when I ran. I won second place and I got my badge. I was also a cheerleader for MS. Then it was the relay race for Grade 5. The girls won. It was Phoebe, Alexis, Cassidy and me.

Then it was the teachers' race and the parents' race. My mom joined the moms' race. It was the best day of 2024 for me.

By Buhle Mnyanda, Grade 5

So I remember eating cheesy Russian rolls yummy! Dominic won first place but I was sad because I'm in MS. I did the skipping rope competition but I did not win! It was so funny watching the teachers run but...I cheered for all my teachers. Also super funny when all the parents ran. Zaylee's dad got first place.

THANKS TO ALL OUR STARS FOR A WONDERFUL YEAR OF SPORT AND EXTRA-MURALS.

WALKING CLUB

THIS YEAR, THE WALKING CLUB HAS BEEN A VIBRANT AND ENJOYABLE ADDITION TO OUR MONDAY AFTERNOONS DURING TERM 1 AND 4. LEARNERS HAVE ENJOYED THE OPPORTUNITY TO UNWIND AFTER A BUSY DAY, STROLLING ALONG THE CATWALK WHILE SOAKING UP THE WARM AFTERNOON SUN OR ENJOYING THE REFRESHING OCEAN BREEZE. IT'S BEEN MORE THAN JUST A WALK; IT'S A TIME TO CONNECT WITH FRIENDS, SHARE STORIES, AND APPRECIATE THE NATURAL BEAUTY AROUND US.

THE LEARNERS' ENTHUSIASM HAS BEEN A DRIVING FORCE BEHIND THE CLUB'S SUCCESS. KIRSTEN IN GRADE 6 SHARED THAT SHE LOVED TAKING A WALK TO THE PARK IN KALK BAY, WHERE SHE COULD CHAT WITH FRIENDS AND HAVE FUN. ADAM IN GRADE 5 SAID HIS FAVOURITE PART WAS THE ADVENTURE OF WALKING UP JACOB'S LADDER, WHILE LEFA IN GRADE 5 DECLARED THAT THE WALKS ALONG MUIZENBERG CATWALK WERE THE ABSOLUTE BEST.

THE WALKING CLUB HAS NOT ONLY ENCOURAGED A HEALTHY LIFESTYLE BUT ALSO PROVIDED A WONDERFUL SPACE FOR FRIENDSHIPS TO GROW AND MEMORIES TO BE MADE. WATCHING THE LEARNERS LAUGH, EXPLORE, AND SIMPLY ENJOY THE OUTDOORS HAS BEEN A HIGHLIGHT FOR ALL INVOLVED.

STEM CLUB

Our STEM Stars Shine Bright in 2024!

This August, we proudly launched Our STEM Stars club, where learners explored science, technology, engineering, and mathematics through exciting activities. Every Thursday afternoon, our budding scientists and engineers tackled engaging projects, developing critical and creative thinking skills.

Some highlights included:

Bridge Building: Creating sturdy bridges using straws, lollipop sticks, and masking tape.

Water Quality Testing: Testing water at Trover Cottage, which revealed it was unsafe to drink, sparking discussions on environmental issues.

Egg Drop Challenge: Designing protective gear to keep an egg intact from a two-story drop.

Paper Jet Design: Engineering and testing jets for longest glide time and maximum distance.

Coding with MicroBits: Exploring coding basics to solve problems.

Elephant's Toothpaste Experiment: A fun reaction demonstrating how enzymes speed up processes.

Led by Mr. de Villiers, Ms. Dennis, and Ms. Dietrich, our learners showcased creativity, teamwork, and enthusiasm for STEM.

Our 2024 STEM Stars:

Grade 6: Caleb Court, Isabella Dorea, Peyton Adams, Cullen Booyen

Grade 5: Phoebe Malianga, Adam Rosenberg, Buhle Mnyanda, Ethan Horswell

Caleb shared, "I enjoyed the fun experiments we did in STEM club, like testing mountain water or the Elephant's Toothpaste. I would love to be in STEM club again next year!" Phoebe said, "I really enjoyed STEM club, getting to code using the MicroBit and Chrombook was the highlight of my STEM club experience."

We are proud of their achievements and look forward to more STEM adventures in 2025!
