

# GUIDELINES FOR THE FOUNDATION PHASE

## WHAT CHILDREN SHOULD DO BEFORE LEAVING HOME:

- Wash your hands thoroughly with soap and water for at least 20 seconds before putting on your clean, ironed mask.
- Make sure that you have a second mask with you placed in a clean plastic bag. You will need it when you arrive at school.

# WHAT CHILDREN SHOULD DO ON THEIR WAY TO AND FROM SCHOOL:

- Wear your mask.
- If you are walking to school, try to keep at least a 1.5-meter distance between you and another person.
- The wearing of a mask is mandatory when using public or school transport.
- Sanitize your hands before entering and after disembarking from the public / school transport.

# ARRIVING AT SCHOOL:

- Arrival times will be staggered. If you are early check the screening area and if busy, stay in your transport. Do not create unnecessary crowding.
- All children must go directly to the designated screening area in the hall foyer.
- Social distancing must be maintained while waiting to be screened.
- As you enter the gate sanitize using the hands-free sanitizer.
- You will receive a paper with 6 questions that you need to answer. Please have your own PEN available.
- Sanitize your shoes and hands before leaving that area.
- Proceed up the driveway to walk to your classroom.

**STEP 1:**

**STEP 2:**

**STEP 3:**

Name of learner/Teacher/Other	Grade/Class	Date

Temperature Reading: .....

No	Question	YES	NO
1	Do you have a cough?		
2	Do you have shortness of breath?		
3	Do you have a high fever?		
4	Do you have a sore throat?		
5	Have you travelled outside SA in the past 14 days?		
6	Within the last 14 days, did you have direct contact with someone known to have contracted the Coronavirus disease (Covid-19)?		

Signature of Screener

**STEP 4:**

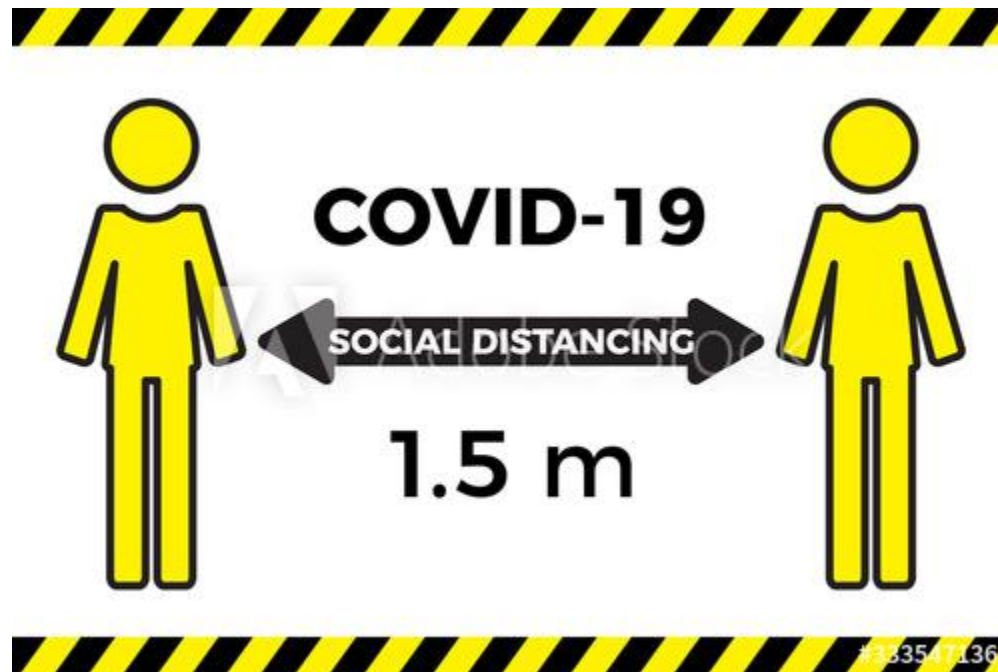

**STEP 5:**

**STEP 6:**

# AT SCHOOL:

- Prevent crowding in toilets or when outside during intervals.
- Maintain 1.5-meter distance from each other at all times.

# IN THE CLASSROOM:

- No moving around the class/rather raise your hand and the teacher will respond.
- Use sanitizer/washing of hands every hour.
- Sanitize your desk/equipment after returning from being outside.
