Design and make a poster

Design and make a poster that deals with the topic of SUBSTANCE ABUSE. Choose a drug or more than one and follow the content below.

Guidelines for content

The poster should include:

- Paragraphs and pictures / illustrations about the drug/s you are covering.
- Written and visual information about the drug/s e.g.: how and what it is.
- Paragraphs must cover the effects on the individual. (Intrapersonal)
- Paragraphs must cover the effects on the community. (Interpersonal)
- You must clearly indicate all sources used. (No plagiarism)

Guidelines for how to do this task.

1. Use a large piece of paper, A3 or bigger.
2. Do rough notes on the information to be included,
3. Decide what will be shown visually and what will be written.
4. Give your pictures / illustrations captions and labels. .

TEACHER'S CRITERIA

● Research information	10
● Planning	10
