

STAR OF THE SEA CONVENT

TERM 1 NEWSLETTER

Principal's Address

Dear Parents, Staff, and Children

As we come to the end of Term 1, we pause with grateful hearts to reflect on what has been a rich and meaningful start to the year at Star of the Sea Convent.

This term has been deeply rooted in our faith and our sense of community. We began with the beautiful Captains' Induction Holy Mass, a significant moment where we entrusted our young leaders to serve with integrity, humility, and courage. We are grateful too for Father Andrew's class visits, which brought faith to life in such a personal and engaging way for our children.

Our journey through Lent began with our Ash Wednesday Mass, reminding us of reflection, renewal, and compassion. These moments continue to shape the spiritual foundation of our school.

We have also seen wonderful learning beyond the classroom. Our Grade 6 and Grade 4 Market Days were vibrant and exciting, teaching our children valuable entrepreneurial skills such as creativity, responsibility, and teamwork. These experiences are so important in preparing them for the future.

Importantly, our teachers have begun a focused journey to make Oracy an integral part of teaching and learning across the school. Oracy refers to the ability to express oneself clearly and confidently in spoken language, as well as to listen carefully and respond thoughtfully to others. Through structured talk, discussion, and purposeful speaking activities, we are helping every child to develop their voice, build confidence, and deepen their understanding across all subjects.

Throughout the term, we have also noticed how our children—and indeed all of us—have lived out our values of Courage and Positivity. We saw children trying new things, supporting one another, and approaching challenges with a hopeful and determined spirit. These values have been evident in classrooms, on the sports field, and in the way we relate to one another each day.

Our Sports Day was another highlight of the term. It was truly inspiring to see the enthusiasm, sportsmanship, and full participation of our entire school community. Days like these remind us how important it is to gather, celebrate, and support one another.

We also think of our Grade 6 children who are currently on their SOS camp in Villiersdorp. This is a special time for them to bond as a grade and grow as leaders through shared experiences and challenges. We wish them a meaningful and enjoyable camp.

As always, our community has shown its generosity and compassion. Whether responding to the needs of one of our own or supporting the Lions Club through donations of marshmallows for Easter, your kindness reflects the true spirit of our school.

We continue to keep our entire school community in our prayers, especially Mrs Williams as she continues on her journey of recovery. May she feel our love and support during this time.

As we look ahead to Term 2, we encourage our children to continue building on this strong foundation by living out the value of Integrity, and by striving each day to be a Positive Influence within our school community.

As we enter the Easter season, may it be a time of hope, renewal, and joy for each of you. May the Risen Lord guide and bless us all as we rest and prepare for the challenges and opportunities of Term 2.

Wishing you all a blessed and peaceful Easter.

God bless
Alfonso Pereira
